THE PROPOSAL

Shaun Louis Wagenaar proposed to me on 21 May 2016 and 'Marry-me-hill' as we now call it, a koppie on our farm in the Great Karoo, is where it all happened. I thought we were simply going for a walk across the farm, to take photos and enjoy the majestic scenery and the champagne air. Shaun had different plans. On bended knee and offering me a beautiful ring, he proposed. It was such a special moment and I was overcome by 'it's finally happened' shock and tears of happiness. Of course, my answer was 'yes'!

My stepfather had passed away on our farm in 2015, so it felt as if we were sharing the moment with him as well.
